

SMART WiFi MIA INDOOR CAMERA

The indoor
multipurpose
camera

- DIY
- FHD 1080P
- PIR MOTION
- SOUND
- RECORD
- INFRA-RED
- AUDIO
- MICROSD SD SLOT
- 1YR WARRANTY

WIFI NO HUB REQUIRED
Works with IFTTT

Small in stature, big in features allowing you see what's happening at your home remotely.

Full high definition resolution 1080P (FHD) camera, including night vision infra-red detection.

Advanced motion detection identifies slight changes in movement and sends a notification to your phone/tablet.

Sound detection to activate camera giving you an extra level of security.

Two-Way audio. Allows you to speak and listen through the BrilliantSmart app no matter of your location provided you have an internet connection.

Manually record live video direct to your phone through the BrilliantSmart app.

MicroSD memory card slot – 132Gb max. Recording is motion activated if SD card installed (card not included).

Access recordings from anywhere with your smartphone. Recorded SD card footage is encrypted and can only be viewed through the BrilliantSmart app

Compatible with BrilliantSmart devices via automation & IFTTT.

APPLICATIONS

- Smart security for every home
- Create in app automation, so lights illuminate based on behaviours, ie: when movement is detected via a sensor, the lights turn on automatically.

SMART WiFi MIA INDOOR CAMERA
