23 cm 18 W Slim LED Ceiling Light – Natural White

ABOUT THIS PRODUCT

An 18 W natural white LED ceiling light, only 15 mm thin, that replaces a two-bulb oyster light in bedrooms, hallways, laundries and offices. It surface mounts or clips into an old downlight or oyster hole of about 65 to 200 mm, and plugs in with its built-in flicker-free driver. The 4000 K light is clean and comfortable for everyday tasks, and the frosted lens spreads it evenly across the room.

MORE DETAILS

Driver	Built-in, plug-in connection
Lens	Frosted, for even light
Colour	Single colour, 4000 K only
