29 cm 24 W Smart WiFi Ceiling Light – Tunable White

ABOUT THIS PRODUCT

A slim 24 W smart ceiling light for living areas, bedrooms and home offices that you control from the Smart Life app or by voice with Google Home or Amazon Alexa. Dim it from 10 to 100 percent and tune the white from warm 3000 K to cool 6000 K, set schedules and alarms, and switch it on from anywhere. It surface mounts or clips into an existing 60 to 250 mm hole, and plugs in with the Australian cord. Optional magnetic covers change the look.

MORE DETAILS

Material	Plastic frame, PMMA light-guide panel, aluminium heat sink
