DESCRIPTION:

NEW 25w LED Smart Downlight with TUYA WiFi/Bluetooth control. Range of white (Warm - Bright). Quality light with high CRI, high lumen output. Good heat dissipation with no flickering and no UV.

An attractive, easy, convenient and cost-effective way to control home or commercial lighting - quick setup of rooms, zones and timers. The control system uses Tuya WiFi or Bluetooth technology to connect lights via a free App on a Smart device.

FEATURES:

- Full Smart control, full dimming
- Fully adjustable light from 3000k to 5700k
- WiFi can be controlled remotely
- Compatible with Amazon Alexa and Google Home
- Easy set-up
- Comes with separate driver, cord and plug
- Control and customise downlights to meet your needs
- 3 Year Warranty

SUITABLE FOR:

- Homes
- Offices
- Shops
- Hotels
- Bars and restaurants
- Public areas - stairways, lobbies, reception areas, corridors
