DESCRIPTION:

NEW Extremely versatile LED downlight. Power adjustable and colour changing by switch on back of the light.

Very efficient with high lumen output and high CRI, good heat dissipation and no UV. This light has three popular and practical colour output options which are adjustable by switch on the back of the light to Warm (3000k), Natural (4000k) or Bright (5700k). Power adjustable 15w or 12, selectable by switch.

Recommended for general lighting applications in homes, offices, supermarkets, shops, schools, hotels as well as for public areas such as stairways, lobbies, reception areas, corridors etc.

FEATURES:

- More efficient with high lumens and high CRI
- Low glare architectural design
- Power adjustable to 15w or 12w
- All three colours are attractive and usable in a variety of environments
- Warm (3000k), Natural (4000k) or Bright (5700k)
- Uniform light output
- 3 Year Warranty
- Long lifespan 50 000 hours

SUITABLE FOR:

- Homes, Offices, Shops, Hotels
- Domestic, Retail, Commercial
