### DESCRIPTION:

NEW Unique 9w LED SMART Low Glare downlight with Tuya Bluetooth - Full Colour (RGB) and White (Warm-Bright). With very attractive diffuser and 60° beam angle for an even spread of light and less glare. Essential for making your home comfortable and removes flicker in rooms with ceiling fans.

An attractive, easy, convenient and cost-effective way to control home lighting. The control system uses Tuya technology to enable easy setup of rooms and zones throughout the home. Compatible with Amazon Alexa and Google Home - requires a Bluetooth Gateway (optional). Easy and precise control, personalise lights to meet your lifestyle needs. Multiple devices can be connected simultaneously. Requires 2.4GHz network.

### FEATURES:

- Full colour control, full dimming
- Crystal 60° lens for attractive light dissipation, suitable for high ceilings
- High lumen output, up to 110lm/w
- Built-in driver with cord and plug
- Uniform light output
- IC-4 Certified
- 3 Year Warranty
- Long lifespan 50 000 hours

### SUITABLE FOR:

- Retail
- Homes
- Hotels
- Clubs
- Restaurants
