Certification: SAA, RCM, IC-4

90 mm 9 W Smart Colour Downlight – Low Glare

ABOUT THIS PRODUCT

A smart colour downlight for 90 mm holes with a 60 degree low-glare beam, so the light feels softer and more focused. Control it from your phone with the Smart Life app over Bluetooth: pick from millions of colours or any white from warm 2700 K to cool 6500 K, then dim, group and schedule your lights. It suits living rooms, bedrooms, media rooms, bars and shops where you want both everyday white light and colour for special occasions.

MORE DETAILS

Material	Aluminium-coated plastic, PC lens
Light source	SMD2835 white plus RGB LEDs
Light output (white)	900 to 1000 lm
Smart control	Bluetooth, Smart Life / Tuya Smart app
