**DESCRIPTION:**

24W FULL COLOUR WIFI CEILING LIGHT - Oyster Light Replacement. Unique, vibrant full colour (RGB) + CCT (2700-6500k). Also includes a hand remote.

CCT on the front and RGB at the back of the light are controllable separately by App on a Smart device, with a smooth dimming effect and no flickering. Includes a hand remote.

It is compatible with Google Home and Amazon Alexa. You can set schedules, timers and control from anywhere with a WiFi signal.

It is multi-purpose, for use in both domestic and commercial applications. It has a built-in driver, cord and plug, comes standard with a White Cover.

**SUITABLE FOR:**

- Domestic or Commercial Applications
- Offices
- Homes
- Restaurants
- Schools
- Hotels
- Shopping Malls
