DESCRIPTION:

40W High Lumen 1.2m batten fitting, low power, very efficient batten with 3-colour switch selectable light output colours. Elegant appearance, slim fitting, easy installation with 4 buttons for quick disassembly. Uniform light with good heat dissipation.

Very versatile, multi-watt selectable by dip switch - 40/35/25/20w - for additional energy saving.

Very bright, up to 150 lumens/watt - up to twice as bright as a standard batten fitting - high CRI and no flicker or frequency, which improves working conditions and safety as well as reducing fatigue.

All three colours (selectable) are attractive and usable in a variety of environments - Warm (3000k), Natural (4000k) or Bright (5700k)

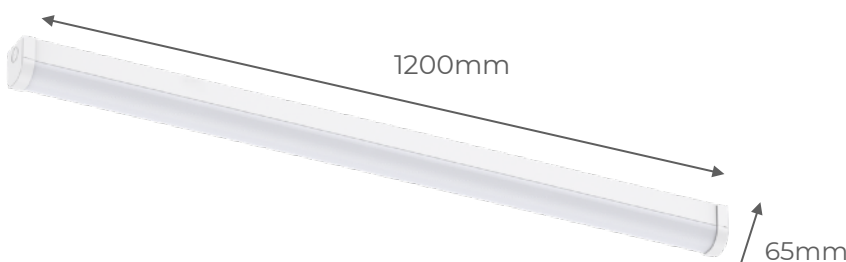

Long lifespan 50 000 hours.

FEATURES:

- Adjustable CCT and adjustable wattage with side switch
- High lumen efficiency - 160Lm/W
- 1200mm Length
- End cap with mounting hole for loop in / loop out connection
- Internal flicker-free driver
- Emergency battery option available

SUITABLE FOR:

- Domestic or Commercial Applications
- Garages, sheds, parking garages
- Factories
