CERTIFICATION	SAA, RCM

DESCRIPTION:

NEW High quality 40W 1.2m High Lumen LED batten fitting. With elegant appearance, slim with easy installation which can be connected in series. Very bright - up to 40% brighter than normal fittings - high CRI and no flicker or frequency, which improves working conditions and safety as well as reducing fatigue. The Blue Filtered chips minimize harmful blue light but retain clear white lighting.

Suitable for all application requiring accurate light.

Comes with connector (for hard wire option).

FEATURES:

- More efficient with high lumens
- CRI>95
- Bright white (5200k)
- Uniform light output
- Replaces 2 x T8 or T5 tubes
- Long 4 Year Warranty
- Long lifespan 50 000 hours

SUITABLE FOR:

- Garages, sheds and workshops
- Shopping malls
- Office buildings
- Warehouses and factories
- Bars and restaurants
- Public areas - stairways, lobbies, reception areas, corridors
