DESCRIPTION:

NEW Attractive oval shape 10w CCT wall light. Very smart, modern look which comes with both black and white cover. Strong, quality material to ensure better ageing and corrosion resistance, with an impact resistance rating of IK08. The base and cover are detachable which makes for easier installation and maintenance.

High lumens and soft, even lighting which is available in three popular and practical output colour options, adjustable by switch on the back of the light to Warm (3000k), Natural (4000k) or Bright (5000k).

Recommended for general lighting applications both outdoors and indoors - gardens, offices, supermarkets, shops, schools, hotels, restaurants etc. as well as public areas such as stairways, receptions, hallways, corridors etc.

IP65 which is suitable for indoor and outdoor use.

FEATURES:

- Modern oval shape
- Comes with both black and white cover
- High lumen output, up to 110lm/w
- Uniform light output
