DESCRIPTION:

9w LED SMART downlight with Tuya WiFi or Bluetooth - **Full Colour (RGB) and White (Warm-Bright)**. Quality light with high CRI, high lumen output which has a built-in driver. Good heat dissipation with no flickering and no UV.

An attractive, easy, convenient and cost-effective way to control home lighting - quick setup of rooms, zones and timers. The control system uses Tuya WiFi or Bluetooth technology to connect lights via a free App on a Smart device.

FEATURES:

- Full Smart control; Full dimming
- Fully adjustable light from 2700k to 6500k + RGB
- WiFi can be controlled remotely via WiFi
- Bluetooth can be controlled from a SMART device (BT Gateway is required)
- With Music Sync - lights change to match your music
- Compatible with Amazon Alexa and Google Home
- Easy set-up and full colour control with dimming
- Comes with cord and plug, built-in driver
- Control and personalise downlights to meet your lifestyle needs
- 3 Year Warranty

SUITABLE FOR:

Homes
Offices
Restaurants
Shops
Hotels
Public areas - stairways, lobbies, reception areas, corridors
