

SMART WiFi VIDEO DOORBELL & CHIME

SERIES-II

Answer the door
from anywhere

WiFi
NO HUB REQUIRED

Works with
IFTTT

Answer your doorbell from anywhere from your phone.

Video, two-way audio and built-in motion sensors allows you to know who's at the front door and detect any movement on your property, triggering alerts to your phone 24/7.

- Full HD video 1080P, 166° wide viewing angle. Delivers high resolution video.
- Two-way audio. Allows you to hear and speak through the BrilliantSmart app remotely.
- Built-in infra-red night vision, automatically activating the infra-red filter at night (day/night modes).
- Record direct to your phone by either screen shot or video recording.
- Durable construction and IP44 weather resistant rating makes it suitable for all locations.
- Built in memory card slot that supports up to 64Gb SD card. Recording is motion activated (card not included). Recorded SD card footage is encrypted and can only be viewed through the BrilliantSmart app, or remove card and view recorded files through your PC.
- It uses low power and includes 2 rechargeable lithium batteries. Includes option to connect to 14V-24VAC/DC (power source not included).
- Connects to other BrilliantSmart devices and other compatible products through automation.

CHIME

- Multiple tones selection - 38 in total with 5 volume levels, this includes silent mode(LED indicator will flash in this mode)
- Plugs into any standard power outlet.
- Works up to 20m (line of sight) away from the Smart WiFi Video Doorbell.

SMART WiFi VIDEO DOORBELL & CHIME
