

SMART WiFi VIDEO DOORBELL

Answer the door from anywhere

WiFi NO HUB REQUIRED

Works with IFTTT

- DIY
- HD 1080P
- PIR MOTIO
- RECORD
- INFRA-RED
- AUDIO
- SD SLOT
- 1YR WARRANTY

Answer your doorbell from anywhere from your phone. Video, two-way audio and built-in motion sensors allow you to know who's at the front door and detect any movement on your property, triggering alerts to your phone 24/7.

- Full HD video 1080P, 166° wide viewing angle. Delivers high resolution video.
- Two-way audio. Allows you to hear and speak through the BrilliantSmart app remotely.
- Built-in infra-red night vision, automatically activating the infra-red filter at night (day/night modes).
- You can press record direct to your phone by either screen shot or video recording.
- Durable construction and IP44 weather resistant rating makes it suitable for all locations.
- Built in memory card slot that supports up to 64Gb SD card. Recording is motion activated (card not included). Recorded SD card footage is encrypted and can only be viewed through the BrilliantSmart app
- It uses low power and includes 2 rechargeable lithium batteries. Includes option to connect to 14V-24VAC/DC (power source not included).
- Connects to other BrilliantSmart devices and other compatible products.

APPLICATIONS

- Smart security for every home
- Create in app automation, so lights come on based on certain behaviour, ie: when movement is detected via a sensor, the lights turn on automatically

SMART WiFi VIDEO DOORBELL
