

ZI PIR ZIGBEE INTELLIGENT PIR SENSOR

DESCRIPTION:

SMART Zigbee PIR works with ZigBee Smart Gateway via WiFi. Small and versatile, no wiring required, can be located conveniently anywhere in a home, garage or office/business premises. With long battery life. Unexpected motion will trigger the PIR to send an alert to your phone/SMART device and record to the Cloud. It only records when motion is detected. Can be linked through the App to other Zigbee or Smart devices e.g. lights. Indoor use only.
