1.2 m 40 W LED Batten Pro – Tricolour, Power Adjustable

240 V hard-wired product: it must be installed by a licensed electrician to AS/NZS 3000.

IN THE BOX

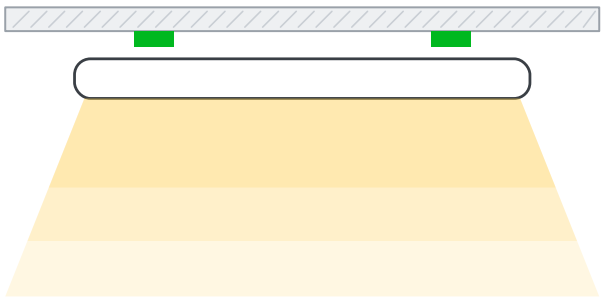

- 1 × 1.2 m LED batten (light unit clipped into the mounting base)
- Surface-mount fixing accessories

YOU WILL NEED

- Drill and screwdriver
- Tape measure
- Wire stripper
- Voltage tester
- Ladder

BEFORE YOU START

- Indoor, dry areas only (IP20).
- Adding the optional emergency kit? It also needs an unswitched Active – plan the cable before mounting. Fit any kit before mounting.
- Turn off the power at the switchboard and test it is dead.

Fix clips/base to ceiling, connect, clip on

STEP BY STEP

1. Unclip the light unit from the mounting base.
2. Mark two fixing holes 840 mm apart on the ceiling.
3. Feed the cable through the end-cap hole and screw the base to the ceiling.
4. Strip 8–10 mm and connect switched Active, Neutral and Earth (0.5–2.5 mm² wire). The batten must be earthed (Class I).
5. To loop to the next batten, run the cable out through the other end cap.
6. Set the colour and power switches on the light unit.
7. Clip the light unit back into the base until it clicks.
8. Turn the power on and check it works.

SETTINGS & USE

- Colour switch: 3000 K warm, 4000 K natural, 5700 K bright white.
- Power switch: 40 W, 35 W, 25 W or 20 W – lower saves energy.
- Unswitched Active terminal is only used with the emergency kit.

DO NOT

- Don't connect to a dimmer.
- Don't use outdoors or in wet areas (IP20).
- Don't change switches with the power on.

CARE & TROUBLESHOOTING

- Turn off, then wipe the cover with a soft damp cloth.
- If it doesn't light, check the light unit is clipped fully into the base.

Installation: Greenhse recommends that every product is installed by a licensed electrician to AS/NZS 3000 and local rules. Any work on 240 V wiring must be done by a licensed electrician. Incorrect installation can be unsafe and may void the warranty. **Warranty:** 3 years. Keep your invoice and the electrician's certificate of compliance. Questions? Call (08) 9297 2969 or visit greenhse.com.
