10–100 W Super Slim LED Floodlights – White

ABOUT THIS PRODUCT

A family of super slim white floodlights for homes, sheds, gardens, carports and yards, in four sizes from 10 W to 100 W. They give clean natural white 4000 K light at about 95 to 100 lumens per watt, with a wide 120° spread for even coverage. The die-cast aluminium body and glass front are rated IP65 for outdoor use, and the slim white finish blends neatly into eaves and white walls.
