3 × 3 W LED Star Light Kit – Non-Dimmable

A set of 3 small recessed 3 W LED lights with driver, for feature and mood lighting indoors.

KEY FEATURES

- Kit of 3 small 3 W recessed lights with matching driver
- Simple on/off – non-dimmable driver
- Lights plug straight into the driver – no joins
- Fits a small 30 mm hole; large cover hides holes up to 55 mm
- Each light has a 2 m cable – do not extend it
- Replaces 25 W halogen star lights

IN THE BOX

- 3 × 3 W star lights (your colour and cover), each with a 2 m cable
- 1 × 3-pin non-dimmable driver with 3-port connector box

3 × 3 W LED Star Light Kit – Non-Dimmable

ABOUT THIS PRODUCT

A ready-to-install kit of three 3 W LED star lights with a non-dimmable 3-port driver. The small 30 mm cut-out and 42 mm trim make these lights ideal for highlighting shelves, niches, bedheads, kitchens and display cabinets. Each light plugs straight into the driver's connector box, so installation is quick and tidy. Choose warm, natural or bright white or blue, with white or brushed chrome trims as standard and matte black or a large 55 mm cover as options. For indoor, dry areas only.
