INSTALLATION GUIDE

Product code: C25-CCT-PA

30 cm 25 W Premium LED Ceiling Light – IP54

Must be installed by a licensed electrician (AS/NZS 3000) – turn the power off at the switchboard before starting.

IN THE BOX

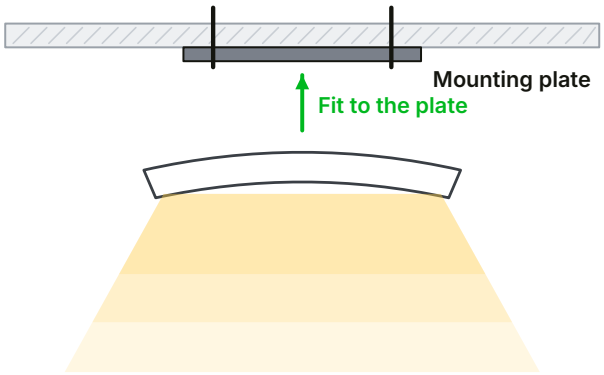

- 1 × 25 W LED ceiling light with built-in driver and base
- Fixing kit: 3 screws, 3 wall plugs, 3 washers and 1 small locking screw
- 1 × pair of gloves

YOU WILL NEED

- Drill and screwdriver
- Wire strippers
- Tape measure and pencil

BEFORE YOU START

- Set the power (25/18/12 W) and colour switches before mounting.
- Double insulated – no earth wire is needed.
- In bathrooms, keep it out of direct shower spray (IP54 is splash-proof).
- The ceiling must hold 1.4 kg.

STEP BY STEP

1. Turn the power off at the switchboard.
2. Twist the light off its base, then unclip the safety cord and unplug the small connector.
3. Set the power switch (25, 18 or 12 W) and the colour switch (3000 or 4000 K).
4. Feed the supply cable through the base. Drill 3 holes and fix the base with the wall plugs, screws and washers.
5. Connect active (L) and neutral (N) to the terminal block. Use 0.5–2.5 mm² wire, stripped 8–10 mm.
6. Clip the safety cord back on and plug the connector back in.
7. Lift the light onto the base, twist it until it locks, then fit the small locking screw on the side.
8. Turn the power on and test.

SETTINGS & USE

- Power switch: 25 W, 18 W or 12 W.
- Colour switch: 3000 K or 4000 K.

DO NOT

- Don't use with a dimmer – this light is not dimmable.
- Don't fit it where water sprays straight onto it.
- Don't open the driver – no user parts inside.

CARE & TROUBLESHOOTING

- Turn the power off, then wipe with a soft damp cloth.
- If it does not light, check the small connector between base and light is pushed in.

Installation: Greenhse recommends that every product is installed by a licensed electrician to AS/NZS 3000 and local rules. Any work on 240 V wiring must be done by a licensed electrician. Incorrect installation can be unsafe and may void the warranty. **Warranty:** 3 years. Keep your invoice and the electrician's certificate of compliance. Questions? Call (08) 9297 2969 or visit greenhse.com.
