Warranty	3 years in-home + 3 years replacement

Installation: licensed electrician required – see the installation guide. Keep your invoice for warranty.

Amari 56" 5-Blade DC Ceiling Fan

ABOUT THIS PRODUCT

The Amari 56" is a larger five-blade DC ceiling fan for big bedrooms, open-plan living areas and enclosed alfresco spaces. The moulded ABS body and blades will not rust, so it is a good choice near the coast. Its 35 W DC motor is quiet and efficient, using about 8 W on low and moving up to 17,300 m³ of air an hour on high. The remote has six speeds, a timer, reverse for winter use and a Windbreeze mode.

MORE DETAILS
