INSTALLATION GUIDE

Product code: BT-MESH-GATEWAY-1

Bluetooth Mesh Smart Gateway (Smart Life)

Licensed electrician recommended. Indoor use only: plug it into a USB power adapter in a dry place.

IN THE BOX

- 1 × Bluetooth Mesh gateway
- 1 × USB power cable
- 1 × user manual

YOU WILL NEED

- Phone with the Smart Life app
- 5 V 1 A USB power adapter
- Your 2.4 GHz WiFi password

BEFORE YOU START

- Install the Smart Life app and create an account.
- Check your WiFi has a 2.4 GHz network.
- Pick a central spot within about 10–30 m of your Bluetooth lights.
- Works with Smart Life Bluetooth lights such as Greenhse DL9RGBW-BT1 and DL9RGBW-PBT.

Add it in the app, then add your devices

STEP BY STEP

1. Plug the gateway into a 5 V 1 A USB adapter and switch it on.
2. Wait for the red WiFi light to blink – it is ready to set up.
3. Turn on WiFi and Bluetooth on your phone.
4. In the app tap '+' and choose 'BLE Mesh Gateway'.
5. Enter your 2.4 GHz WiFi password and follow the app steps.
6. When the red light stays on, the gateway is on WiFi.
7. Add your Bluetooth lights in the app – they link through the gateway.

SETTINGS & USE

- Red light: on = WiFi connected; blinking = waiting for WiFi; off = WiFi set but not found.
- Blue light: blinking = ready to add devices; on = Bluetooth active.
- Reset: hold the button for 5 seconds until the light blinks several times.
- Link the Smart Life app to Alexa or Google Home for voice control.

DO NOT

- Do not use it outdoors or in wet places.
- Do not connect it to a 5 GHz WiFi network.
- Do not put it inside a metal cabinet – it blocks the signal.

CARE & TROUBLESHOOTING

- Wipe with a dry cloth only.
- If devices go offline, unplug for 10 seconds, plug back in, and check the red light is on.

Installation: Greenhse recommends that every product is installed by a licensed electrician to AS/NZS 3000 and local rules. Any work on 240 V wiring must be done by a licensed electrician. Incorrect installation can be unsafe and may void the warranty.
Warranty: 1 year. Keep your invoice and the electrician's certificate of compliance. Questions? Call (08) 9297 2969 or visit greenhse.com.
