INSTALLATION GUIDE

Product code: eye360-mw-pir

EYE 360 Recessed Microwave Security Sensor

240 V – must be installed by a licensed electrician to AS/NZS 3000.

IN THE BOX

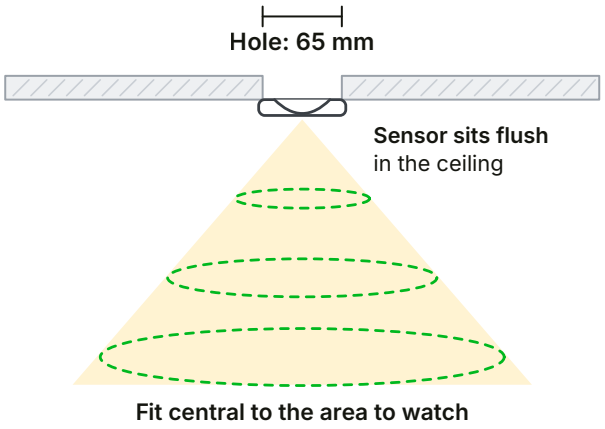

- 1 × EYE 360 recessed microwave sensor (white) with spring clips

YOU WILL NEED

- 65 mm hole saw
- Electrician's tools
- Ladder

BEFORE YOU START

- Ceiling height must be 1.5–3.5 m. Pick a spot central to the area, away from fans and other moving things.
- Check there is room above the ceiling for the body (Ø76 × 77 mm).
- Check the lights it will switch total no more than 150 W of LED.
- Indoor, dry areas only.

STEP BY STEP

1. Turn the power off at the switchboard.
2. Cut a 65 mm hole in the ceiling at the chosen spot.
3. Electrician connects the 3 wires (active in, neutral, switched active to the lights) to the terminals as marked on the sensor.
4. Fold the spring clips up and push the sensor into the hole.
5. Turn the power on. Set TIME to minimum and LUX to its brightest (daylight) setting so it works while you test.
6. Walk-test, then set the time, lux level and detection area.

SETTINGS & USE

- TIME: 10 seconds to 12 minutes after the last movement.
- LUX: 3–2000 lux. After testing, turn it down so the lights only come on when it is dark.
- AREA: turn the range down if it picks up movement in the next room.

DO NOT

- Don't use outdoors or in wet areas.
- Don't connect more than 150 W of LED (1200 W incandescent, 300 W fluorescent) – split the lights over more sensors if needed.
- Don't mount it near fans or moving objects – microwave can see through thin walls.

CARE & TROUBLESHOOTING

- Wipe with a dry cloth.
- If lights flicker or turn on by themselves, reduce the detection area.

Installation: Greenhse recommends that every product is installed by a licensed electrician to AS/NZS 3000 and local rules. Any work on 240 V wiring must be done by a licensed electrician. Incorrect installation can be unsafe and may void the warranty.
Warranty: 2 years replacement. Keep your invoice and the electrician's certificate of compliance. Questions? Call (08) 9297 2969 or visit greenhse.com.
