Control	3-gang wall switch (included)
Finish	White
Warranty	3 years replacement

Installation: licensed electrician required – see the installation guide. Keep your invoice for warranty.

Horizon 3-in-1 Bathroom Heater – 2 Lamp

ABOUT THIS PRODUCT

The Horizon is a low-profile 3-in-1 bathroom heater that brings warmth, ventilation and light to small to medium bathrooms. Two 275 W infrared heat lamps give instant warmth, a 75 W ball-bearing exhaust fan removes steam, and a 9 W LED centre light can be set to warm white, cool white or daylight. A thermostat starts the fan by itself if the unit gets over 80 °C. The wall switch, 1.5 m aluminium duct, outside grille and clamps are all included.

MORE DETAILS

Material	Plastic
Fan size	120 mm
Air extraction	Up to 5.0 m³ per minute
Heat lamps	Replaceable 275 W infrared globes
