INSTALLATION GUIDE

Product code: kinetic-KSR-all

Kinetic Plug-in Socket Receiver and Switches

Licensed electrician recommended. Plug-in only – never open the socket or wire it into the wall, and keep it and the switch indoors and dry.

IN THE BOX

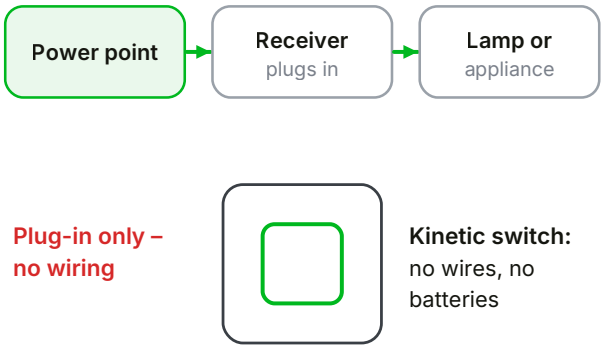

- 1 × plug-in socket receiver (standard or WiFi)
- Switches sold separately

YOU WILL NEED

- Phone with Tuya Smart / Smart Life app (WiFi model)
- Cloth and alcohol wipe (for the switch)

BEFORE YOU START

- Check the lamp or appliance is 600 W LED or less.
- WiFi model: use 2.4 GHz WiFi and turn on Bluetooth and location on your phone.

STEP BY STEP

1. Plug the receiver into a power point and switch the power point on. The indicator light on the receiver comes on.
2. Plug your lamp or appliance into the receiver.
3. Hold the receiver's button for 3–5 seconds until the red light flashes slowly.
4. Press the switch button you want to use once to pair it. To add more switches (up to 10 per receiver), repeat steps 3 and 4.
5. Press the switch again to check the lamp turns on and off.
6. Stick the switch where you want it, or keep it as a remote.

SETTINGS & USE

- WiFi model: after you plug it in, the light flashes fast (2 times a second). Then tap + in the Tuya Smart / Smart Life app, add it and enter your WiFi password.
- Clear all paired switches: hold the button 7 seconds, then pair again.
- Clear WiFi: hold the button 10 seconds, then set up again in the app.

DO NOT

- Don't use outdoors or in wet areas (socket IP20, switch IP42).
- Don't plug in loads over 600 W LED.
- Don't place it behind metal – it weakens the signal.

CARE & TROUBLESHOOTING

- Wipe with a dry cloth only.
- Switch not working? Clear and pair it again – there is no battery to change.

Installation: Greenhse recommends that every product is installed by a licensed electrician to AS/NZS 3000 and local rules. Any work on 240 V wiring must be done by a licensed electrician. Incorrect installation can be unsafe and may void the warranty. **Warranty:** 2 years. Keep your invoice and the electrician's certificate of compliance. Questions? Call (08) 9297 2969 or visit greenhse.com.
