OPTIONS

Code	Glass cover colour
PP2-White	White
PP2-Black	Black

Installation: licensed electrician required – see the installation guide. Keep your invoice for warranty.

Smart Wi-Fi Double Power Point – Crystal Glass

ABOUT THIS PRODUCT

A smart double power point with a scratch-resistant crystal glass front that you can switch from your phone or by voice. It replaces a standard double power point and connects to your 2.4 GHz WiFi through the Smart Life app, so you can turn appliances on and off from anywhere, set timers and schedules, or ask Amazon Alexa or Google Home. Both outlets share a 10 A rating, up to 2400 W. Choose a white or black glass front to match Greenhse glass touch switches.

MORE DETAILS

Standby use	0.65 mA or less
Pairing	Hold the touch button about 3 seconds until the WiFi light flashes fast
Router	2.4 GHz WiFi only, MAC filtering must allow new devices
Offline check	WiFi light shows if it cannot reach the router or the server
