Use	Indoor only
Warranty	2 years
Approvals	RCM approved, certified to AS/NZS 3112

Installation: licensed electrician required – see the installation guide. Keep your invoice for warranty.

Smart WiFi Double Power Point – White Glass, Black Body

ABOUT THIS PRODUCT

This smart double power point pairs a white crystal glass front with a black body for a striking modern look. Swap it for an existing double power point and control what is plugged in from your phone with the Smart Life app over 2.4 GHz WiFi. Set timers and schedules, switch it from anywhere with internet, or use Amazon Alexa or Google Home. The outlets share a 10 A rating, up to 2400 W, and the touch glass is easy to wipe clean.

MORE DETAILS

Standby use	0.65 mA or less
Pairing	Hold the touch button about 3 seconds until the WiFi light flashes fast
Router	2.4 GHz WiFi only, MAC filtering must allow new devices
Offline check	WiFi light shows if it cannot reach the router or the server
