INSTALLATION GUIDE

Product code: ZI-GATEWAY

Zigbee Smart Gateway (Smart Life)

Licensed electrician recommended. Indoor use only: keep the gateway and its power adapter dry.

IN THE BOX

- 1 × Zigbee gateway
- 1 × network (LAN) cable
- 1 × power cable
- 1 × instruction book

YOU WILL NEED

- Phone with Smart Life app
- 5 V 1 A power adapter
- Free router LAN port

BEFORE YOU START

- Install the Smart Life app and create an account.
- Place the gateway near your router, away from metal cabinets.
- Have a free network (LAN) port on your router.

Add it in the app, then add your devices

STEP BY STEP

1. Plug one end of the network cable into the gateway and the other into your router.
2. Plug in the power cable with a 5 V adapter.
3. Check the network light is on (it flashes when sending data).
4. Put your phone on the same WiFi as the router.
5. In the app tap '+' and add the Zigbee gateway (wired), then follow the steps.
6. Add the gateway first, then add each Zigbee sensor or device through it.

SETTINGS & USE

- Network light: on = cable connected, flashing = sending data, off = cable unplugged.
- Pairing light: on = not yet added in the app, off = added, flashing = pairing mode.
- Pairing mode (to add sensors): quick press the button (under 5 s). It lasts up to 1 hour; quick press again to stop.
- Reset: hold the button for more than 5 seconds – the pairing light stays on.

DO NOT

- Do not use it outdoors or in wet places.
- Do not unplug the network cable – the app needs it to reach the gateway.
- Do not add Zigbee devices before the gateway is set up.

CARE & TROUBLESHOOTING

- Wipe with a dry cloth only.
- If devices go offline, check the network light is on and the cable is firmly in both ends.

Installation: Greenhse recommends that every product is installed by a licensed electrician to AS/NZS 3000 and local rules. Any work on 240 V wiring must be done by a licensed electrician. Incorrect installation can be unsafe and may void the warranty. **Warranty:** 1 year. Keep your invoice and the electrician's certificate of compliance. Questions?
